## ABOUT THE UNIVERSITY

The Himachal Pradesh University was founded on July 22, 1970. It is located at Summer Hill which is at a distance of 5 kms from the main town, Shimla. The University is nestled amidst tall and lush green trees of deodars, oaks, pines and rhododendrons. The location of the University presents a panoramic natural view among the woods, settled around Summer Hill. One half of the campus bathes in the fresh sun towards the east and another half in the grandeur of unique sunset on the West. Overlooking snow peaked Majestic Mountain ranges add to the lofty ideals and vision of the university. Its calmness presents congenial atmosphere to pursue higher studies. The University campus occupies an area of 200 acres and has been designed to possess a distinctive architectural style. Himachal Pradesh University is the multi-faculty and affiliating University in the state.

## ABOUT INDIAN SCIENCE CONGRESS ASSOCIATION

Indian Science Congress Association (ISCA) was the brain child of two British Indian Chemists, Professor J.L. Simonsen and Professor P.S. McMohan. Association came out with the following objectives:

- To advance and promote the cause of Science in India
- To hold an annual congress at a suitable place in India
- To publish proceedings, journals, transactions and other publications and
- To Popularize the benefits of science to environment and society

## ABOUT INDIAN SCIENCE CONGRESS ASSOCIATION ISCA- Shimla Chapter

One of the focal objectives of the ISCA, has been to inculcate scientific temper and spirit of enquiry among young scholars and mid career scientists and to encourage their participation in various programs to fundamental and experimental activities for the benefit of man-kind. To further encourage this at regional level in 1986-87, ISCA initiated regional centers across the length and

breadth of the country.

ISCA Shimla chapter is the latest addition to it. ISCA-Shimla Chapter has initiated relevant programs among young inquisitive minds in schools colleges and University to enlighten them about latest developments in various scientific and technological fields and their impact on society. The present conference is also a step in this direction. Shimla Chapter hopes to carry forward the spirit of ISCA objectives in near future. Some of these are organization of *Science demos, Science theater, Science quizzes and Thematic workshops* relevant to the needs of the people of Himachal Pradesh. **Two of the Science Communicators of the chapter have been invited to participate in 105<sup>th</sup> Indian Science Congress at Manipur University.**

## ABOUT SHIMLA CITY

Shimla the queen of hills is capital city of the state of Himachal Pradesh. Established by Britishers. Shimla has been the Summer capital of India during British Raj. Shimla is known for its salubrious climate and is one of the most popular international tourist resorts.

It has premier research institutes such as Indian Institute of Advanced Study (IIAS), Central Potato Research Institute (CPRI) and several others. Shimla is known for its quality education right from School to University education. The temperature in the month of March ranges from 10°C to 25°C, so it is advisable to carry woolen clothes.
